

# DEVELOPMENT DAY

## OLDER PEOPLE'S EQUALITY PANEL

DOING THINGS DIFFERENTLY  
FOR GREATER MANCHESTER

This will be an opportunity to get to know panel members, better understand what the panel needs to achieve and where it fits in the wider Greater Manchester eco-system. The aim is to address three issues and identify other issues in a constructive and effective manner.

Each section will be divided into three parts:

Discussion: Explore the issues with all panel members

Group: More detailed discussion in smaller groups

Feedback: Agree actions

There will be some time for general discussion if panel members wanted to ask questions or make specific suggestions.
